

TOMORROW'S PRINTING TODAY

Never has our appreciation for our healthcare community been greater than it is today. At Citizen, we continue to monitor the changes and impacts of COVID-19 and are ready to support our partners in any way we can. Our supply chain is operating and at normal volumes. Our objective remains to provide you with the same high-level of support you have come to expect from Citizen Systems.

If there is anything you need, from expedited product to technical engineering support, please let us know reinav@citizen-systems.com or treis@citizen-systems.com

We have products available and in stock for hospitals, clinics, and drive-through screening locations.

CMP-32 & CMP-28L

Mobile printers for the Drive-through locations to print patient lab samples.

CL-S521CBI

Medium triage label and wristband printing. Wi-Fi & Ethernet for outdoor connectivity.

CL-S700DTCBI

High volume triage printing. Available in Wi-Fi and Ethernet for outdoor connectivity.

Citizen is dedicated to supporting the efforts of containing and defeating the COVID-19 outbreak. A portion of our printer sales will be directly donated to the CDC Foundation's Emergency Response Fund.
