

## The contemporary high-resolution label printer

Outstanding prints at 300 dpi

### Stylish, fast and compact

The CL-E331's compact, modern, functional design takes up very little desk space, is easy to use and is also perfectly at home in any location, from warehouses to hospitals. It also has a fast print speed of 6 inches-per-second, is quick to setup and to load with media.

### Well connected

The CL-E331 features on-board LAN, USB and Serial interfaces. All industry-standard emulations are fully supported, with the option of remote operation via a web browser, using the Citizen LinkServer™ management tool.

### High quality printing in 300dpi

The CL-E331 the ideal choice for applications ranging from small test tube labels in healthcare to detailed rating plates in manufacturing. It is also equally suited to printing EAN barcodes and asset labels in the retail sector.
